This is a summary of the main elements of the five-year strategic plan developed by members of the Los Angeles County Client Coalition (LACCC), Inc.

## VISION STATEMENT

The Los Angeles County Client Coalition (LACCC), Inc. is dedicated to championing the acceptance of diversity and inclusion to create a just society that embraces people with disabilities

## LACCC VALUES

- Choice and freedom
- Personal responsibility
- Health, resilience and growth

## LACCC MISSION

The Los Angeles County Client Coalition, Inc. is an association of current or former mental health clients who carry the message of hope, recovery, wellness and self-determination, its peers and its communities, including the mental health community, through its advocacy efforts.

## LACCC GOALS (FIVE YEAR STRATEGIC PLAN)

1. To promote recovery principles and practices for people receiving mental health services
2. To combat discrimination and foster social inclusion for ourselves and our peers
3. To network with other groups to improve the quality of life for people like ourselves
4. To increase membership and involvement through outreach and education
5. To develop a yearly budget and fundraising plan related to our goals

NOTE: The Asian Coalition and Coalicion de Clientas Latinas de Salud Mental del Condado de Los Angeles (Latino Coalition) added the LACCC Vision statement as part of their visions, whereas both their vision and their mission statements are unique to their groups.
